### Blue Cross Laboratories Pvt. Ltd. Industrial Visit

An Industrial visit of T.Y.B. Pharmacy students of DIVINE COLLEGE OF PHARMACY, Nampur Road, Satana, was carried out at Nashik, Blue Cross Laboratories Pvt. Ltd MIDC, Ambad on 22nd December 2023. The visit was organized with the prior permission and guidance of Hon. Principal Dr. D. M. Patil, HOD Dr. C. D. Patil, along with the staff members, had taken hard efforts and initiative under the continuous guidance of Principal Dr. D. M. Patil, HOD. Dr. C. D. Patil, which made this visit a grand success.

It was successfully co-ordinated by Mr. Zuber Shah, Ms. Sakshi Dandgawal and Ms. Prerana Pawar. Total 75 students of T.Y.B. Pharmacy along with 5 teachings have joined this industrial visit.

Objectives of activity to get pharmacy knowledge, planning abilities, problem analysis, modern tool usage, professional identity, pharmaceutical ethics, communication, environment and sustainability, life-long learning. To know working procedure of manufacturing, packaging, and quality control unit of Pharmaceutical industry To get importance of accuracy in practical's experiments how to operate equipments in pharma industry.

We started our journey at 8.30 A.M. from Satana and reached our destination at 2.00 P.M We were received by, Sr. HR Manager.Mr. Milind Jagtap, Ambad, Nashik. The bus was used for the transportation of students at the site with subject in-charge Ms. Prerana Pawar and Co-ordinator.Ms. Sakshi Dandgawal.

The visit started with a presentation by Sr. HR Manager Mr. Milind Jagtap. He briefly explained the company organogram, infrastructure and current growth status. We were then taken to visit the various departments in the industry. We were taken to the gowning rooms and were given aprons, masks and cap to cover as per proper gowning procedure instructed in the Industry.

## Blue Cross Laboratories Pvt.Ltd.

### About:

Blue Cross was founded in 1980. It is one of the leading research-based pharmaceutical companies in India with over three decades of experience in providing healthcare products to people across the globe with the aim of improving human life. It's name today is synonymous with top quality healthcare products. We discover, develop and deliver a wide range of innovative and highly advanced pharmaceutical products covering major therapeutic segments like Antibacterials, Pain Management, Antispasmodics, Cough & Cold Preparations, Cardiology, Diabetology, Dermatologicals, Antiulcerants, Antipyretics etc. in different dosage forms at Affordable cost. State-of-the-art Manufacturing Facilities. It has state-of-the-art manufacturing plants at Nashik.

These plants are modern and well equipped with spacious operational areas having adequate capacities for manufacturing world-class pharmaceutical products. It's plants are approved by F.D.A., W.H.O and many overseas countries for compliances with current G.M.P requirements. BLUE CROSS has been bestowed with several Quality Excellence Awards for both the manufacturing plants. Worldclass Quality Assurance System It's aim is to achieve worldclass quality standards for all it's products.

### Contact Details:-

Blue Cross Pharma Limited, MIDC Ambad, Nashik, Maharashtra 422010.

### Visiting Areas –

#### 1. Warehouse:-

A warehouse is a place where the raw material is stored. The height of this warehouse is approx. 50 feet. Fifteen pulleys are placed in the warehouse whose functions are to transfer the raw material from one place to another. It is important because the drug is in large quantity and it is very important to store such a large quantity of drug in a big room.

#### 2. Tablet punching machine:-

Scanned with OKEN Scanner

  
PRINCIPAL  
DIVINE COLLEGE OF PHARMACY  
Nampur Road, Satana, Dist. Nashik 423301

Tablets are made by compressing a formulation containing a drug or drugs with excipients on stamping machines called Punching Machines having punches as the basic component which are used for compressing the granulation within the dies. These punches control the process of filling, compression and ejection.

### **3. Tablet granulation machine**

Pharmaceutical granulators are used for producing uniform dense granules they are universally accepted within the pharmaceutical industry for wet granulation and dry mixing of particles/ ingredients. Granulators ensure fast, efficient and uniform mixing or granulation of raw material/particles. Over sized granules are broken down into a uniform size to ensure better blending.

### **4. Strip packaging machine:-**

The product is fed through hopper and feeding device flows to the heat sealing roller cavities, the desired laminated foil from the two rollers is drawn on the sealing rollers which packs and seals the products continuously. The sealed strip passes through the vertical and horizontal cutters to get desired strip sizes. This machine is extensively used to pack tablets, capsules, caplets, coated tablets, soft gelatine capsules.

### **5. Blister packaging machine**

It is a form of tamper resistant packaging that provides excellent environmental protection and the product has more aesthetic value.

### **6. Syrup Manufacturing :**

A suitable working platform is provided to help in the maintenance and operation of the plant. This system consist of a closed circuit manufacturing facility from feeding sugar/water phase to loading the volumetric liquid filling machine.

**Subject:** Permission for hospital visit...

Dear Sir,

I am writing this letter to request permission for a group of 60 students to visit Apex Multi-speciality Hospital on 04/05/2024, during the morning session. The purpose of this visit is to provide our students with an educational opportunity to observe the operations and functions of a multi-speciality hospital first-hand. Also, it is the part of our curriculum in Second Semester of First Year B. Pharm, Subject: Human Anatomy & Physiology-II.

We believe that such visits play a crucial role in enhancing the practical understanding of healthcare practices among students. Witnessing the day-to-day activities within a hospital setting will not only broaden their knowledge but also inspire them to pursue careers in healthcare.

During the visit, our students will adhere to all hospital protocols and guidelines to ensure minimal disruption to your operations. We will also coordinate closely with your administrative staff to ensure a smooth and organized visit.

We are confident that this visit will be both enriching and educational for our students, and we sincerely hope for your favorable consideration of our request.

Thank you for your attention to this matter. We eagerly await your response.

*Pravin Khairnar*

**Subject: Gratitude for Permission Granted for Hospital Visit**

Dear Dr. Pravin Khairnar,

I am writing to express my heartfelt gratitude for granting permission for our group of 60 students to visit Apex Multi-speciality Hospital on 04/05/2024, during the morning session. Your willingness to accommodate our educational initiative is truly appreciated.

We understand the importance of such visits in enriching the educational experience of our students. Your generosity in opening the doors of your esteemed institution will undoubtedly leave a lasting impression on our students, inspiring them to pursue excellence in their chosen fields.

We assure you that our students will conduct themselves with the utmost respect for the hospital environment and adhere to all protocols and guidelines provided by your team. We are committed to ensuring that this visit is both educational and enjoyable for everyone involved.

Once again, thank you for your kind cooperation and support. We look forward to a successful and enriching visit to Apex Multi-speciality Hospital.

With sincere appreciation,

Warm regards,

Dr. D. M. Patil

## REPORT ON HOSPITAL VISIT

**Name of Hospital:** Apex Multi-speciality Hospital Satana

**Visit Date:** 03/04/2024, 10:30 to 11:30am

**Group:** 60 First Year B. Pharm Students

**Purpose of Visit:** Educational Observation

**Subject:** Human Anatomy & Physiology-II

### Report Summary:

On the morning of 03/04/2024, a group of 60 First Year B. Pharm students from Divine College of Pharmacy, Satana visited Apex Multi-speciality Hospital as part of their educational curriculum in Human Anatomy & Physiology-II. The purpose of the visit was to provide the students with firsthand exposure to the operations and functions of a multi-speciality hospital.

### Highlights:

**Welcome and Introduction:** Upon arrival, the students were warmly welcomed by the administrative staff of Apex Multi-speciality Hospital. Dr. Pravin Khairnar, the Director, greeted the students and provided an overview of the hospital's history, services offered, and its significance in the healthcare sector.

### Guided Tour:

The students were divided into 20 students per group and taken on a guided tour of the hospital facilities. They were able to observe various departments including the emergency room, intensive care unit, operation theaters, radiology department, and pharmacy.

### Interaction with Healthcare Professionals:

Throughout the visit, the students had the opportunity to interact with healthcare professionals including doctors, nurses, and technicians. They engaged in discussions regarding patient care, medical procedures, and the importance of teamwork in a hospital setting.

### Observation of Procedures:

The students witnessed several medical procedures and diagnostic tests being performed, providing them with valuable insights into the practical application of theoretical knowledge learned in their academic studies.

DIVINE COLLEGE OF PHARMACY  
Nampur Road, Satana, Dist. Nashik 423301

**Adherence to Protocols:**

The students strictly adhered to all hospital protocols and guidelines to ensure minimal disruption to the hospital's operations. They maintained discipline and respect for the patients' privacy and confidentiality at all times.

**Conclusion:**

The visit to Apex Multi-speciality Hospital proved to be an enriching and educational experience for the students. It offered them a deeper understanding of healthcare practices and instilled in them a sense of appreciation for the complexities involved in delivering quality patient care. We extend our gratitude to Dr. Pravin Khairnar and the entire staff of Apex Multi-speciality Hospital for their hospitality and cooperation during the visit.
