IQAC Summary Report on Professional Development Programmes - 2023-24

Online / face-to-face Faculty Development Programmes (FDP) , Professional Development Programmes, Orientation / Induction Programmes, Refresher Course, Short Term Course etc.

Faculty development programs (FDPs) have proven to be successful for improving teaching skills in higher education. FDP produced positive effect on students' academic achievement. Professional FDPs produce promising outcomes in flue learning and teaching practices and thus IQAC recommends that faculty in Divine College of Pharmacy should attend FDP training activities on regular basis and that scope of planned FDPs should extend beyond the health professions discipline, to include social skills necessary for collaboration, professional growth as well as management, and leadership abilities.

Quality Initiative & Measures Recommended by IQAC:

Activities to be performed by individual staff in the academic year:

Attend: Two Seminar/Conference /Workshop.

(Financial assistance will be provided by the institute for registration and travelling if required as per the Policy document on providing financial support to teachers, with the *prior permission of the respected Principal*)

One Faculty Development Program (FDP): Duration not less than 5 days

Organize/ Arrange: Two Seminars / Webinars on your subject of specialization.

Publish:

- One Research article is in the UGC Care listed journal.
- One Book publication with ISBN / One Book chapter in edited Volume/ Book
- Papers published in national/ international conference proceedings

Financial Assistance for Article Processing Fees if any will be provided after discussion and approval from the IQAC head and respected Principal.
